

Subejct : Gas turbine engine Part C Practical

Sr no			Task no	Practical Tasks	Perfor med on	Level	Hours
312.	74	15.13	15-25	Perform the removal and fitment of exciter box	Aircraft	2	3
313.	74	15.13	15-26	Perform the cleaning the igniter plug	Aircraft	2	3
314.	76	15.13	15-27	Remove and install throttle Ignition switch and perform adjustment of throttle switch.	Aircraft	2	3
315.	76	15.13	15-28	Perform removal and installation of throttle quadrant	Aircraft	2	3
316.	76	15.13	15-29	Perform the Visual Inspection of throttle Cable at each routing	Aircraft	2	3
317.	80	15.13	15-30	Perform the Cranking of Engine	Aircraft	2	3
318.	71	15.20	15-31	Perform removal and installation & inspection of engine fire detector sensor.	Aircraft	2	3
319.	49	15.20	15-32	Perform inspection of tubular lines of fire extinguishing of engine and perform removal and installation.	Aircraft	2	5
320.	71	15.22	15-33	Associated with Preservation and depreservation for the engine and accessories/ systems	Aircraft	2	6
321.	71	15.22	15-34	Perform the Chip detector removal and fitment.	Aircraft	2	3
